

WHERE WILL YOUR KIDS BE SITTING THIS SUMMER?

Here again?

May we suggest one of these instead?

BEACHWOOD YACHT CLUB

8 week Junior Sailing Program

-  Come find out more at our **Open House** on **May 20th** from **10:00 to 2:00pm**.
-  Beginning in late June, our program runs for 8 weeks, Monday through Thursday for children ages 8-18. Program hours run 8:30am-4:00pm (ask about pre-season starter classes, extended program hours, in house racing, local regattas and community projects)
-  For children under 8 please inquire about our Coastal Kid's Program. This ½ day, 4-day a week session gives younger children an opportunity to gain appreciation for the water and the environment, learn sailing terms and boat parts and get hands on sailing time.

BYC is more than a sailing program. We offer social events and activities for adults and children, adult only sailing lessons and an unforgettable, fun filled summer for everyone. Check us out @ www.beachwoodyachtclub.com
