

## The Unofficial Past Commodore's BBQ

About 100 Years ago there was a Commodore's Cocktail Party

Actually it was 7 years ago

The Commodore at time suggested having a BBQ

That was Neil

The other Officers and Board said it was tradition to have a Cocktail Party and we  
can't make it a BBQ

That's how the Commodore's Unofficial BBQ was founded

After serving a 3-Year term as commodore

Neil retired and sailed the Yuengling cup.

Actually taking a place behind our Commodore Keith Christopher
